This is his own personal secret to appear in top government position when he grows up.. My name is Khan is a romantic comedy-drama directed by Raja Kumaran. The film stars Salman Khan and Sonakshi Sinha in the lead roles. The story of the film is set in the city of Ahmedabad, India, where a series of murders of children are taking place. Determined to get to the bottom of it, lead police inspector Prabhu Dixit (Salman Khan) learns that a series of seemingly unrelated incidents are connected. The police now has to not only unravel the truth behind the murders, but also survive the life of the. Then, one incident leads to another, and on the night of the IFFK, the truth is finally revealed, but not before Prabhu Dixit and his team are forced to do what they have to in order to stay alive. A curious and compelling mystery, My name Khan is a film that has much to tell us about human nature, and the moral dilemmas faced by individuals when they are forced to act against their nature. Based on a real-life police investigation and the events that took place before and during the IFFK, the film offers a twisted view of the world, and the people who inhabit it. My name is Khan was released in India on. The film was a commercial success, and was nominated for. The trailer of the film has garnered more than million views on the Internet. The film has been screened at the 53rd International Film Festival of India on, the first film ever to be screened at the festival. In the same year, it was screened at several film festivals worldwide, including the in Germany, and the Mumbai International Film Festival. It was theatrically released in India on. The film was released to mostly positive reviews. The film was nominated for a Golden Reel Award for Best Music Video in the international category, at the American Cinema Editors Awards. The theme song of the film has also been a major 82157476af
